

The Team

Your relationship is the basis for happiness, yet 60% of you report being unhappy in this crucial area of your life. It's time to make the change. Transforming your love life is easier than you think.

The Pleasure Professor and her team have the tools to make that transformation a reality, whether it means more fun in the bedroom or complete psychological clearance from past issues, be it couple's sessions, yoga-classes, massages therapies or retreats. Our team of experts are dedicated to helping you live that blissful life you deserve NOW!
